

Chen & Karlsson

CHEN & KARLSSON AT STOCKHOLM FURNITURE FAIR GREENHOUSE 2008 STAND V02:11.

Chen&Karlsson is Chen Hung- Ming , Chen-Yen Wei, Johan Karlsson, Tina Karlsson & Rosa. Together we form a Swedish-Taiwanese family company. We design and market products to make a positive impact for everyday life. In our design we aim to integrate, isolate and stir around our cultural heritage to develop new solutions for customers in east and west.

In Stockholm furniture fair we are proud to display a series of products inspired by eastern and western perspectives. Products which have emerged from similarities and differences in practice and thought.

Chinese Girls Wallpaper pattern

Traditional Chinese ornaments are stories. About boys. Chinese girls is a homage to the hundreds of thousands whose stories haven't been told yet.

Trash bag holder Wastebin

Yet another clash between the Scandinavian functionalism and Taiwanese narrative. A rational solution of a trashcan without having the actual can, we let the trash bag do the job. An idea so simple and cost effective that we're surprised we haven't seen it in Kamprads collection yet. The Trash Bag holder is marketed by our partner company DCI.
